### OFFICIAL EVALUATION AND SKILL-TESTING SPORTS COMBINE FOR HIGH SCHOOL, FORMER COLLEGIATE, AND POTENTIAL PROFESSIONAL PLAYERS

#### WHAT IS YOUR LEVEL OF PLAY?

Have you ever wondered how well you would play against the "Next Level" of competition? Whether you are a High School, Collegiate, or beginning your athletic journey, your skill level can be put to the test and measured to give you a clearer understanding of your true skill level determined by your APAS.

The advantage of knowing your "Athlete Proficiency Assessment Scores (APAS)" will show you the specific areas of your game that require adjusting and/or strengthening to help you improve your overall performance.

The Competitive Edge Sports Combine is unlike any other camp or combines. We have uniquely created a professional testing system, which features 10 distinct evaluation stations to give combine participants a view of current strength and weaknesses.
